

# Brookwood Barracuda Swim Team

## Swim Team Changes for 2010

1. 6 and under practice will be broken into two 30 min sessions based upon the child's ability. The coaches and swim rep will determine in which practice children are placed. Some 7-8 year olds may be in this group until they are up to abilities.
2. The new league rule for competing in meets states that a child must have the ability to be able to swim the entire length of the pool without stopping or assistance. The league is hoping this will give them another reason to swim on their own.
3. At anytime a child reaches the goal of swimming the length of the pool during the season they will then be able to compete in meets
4. The cost will remain the same because of the more individualized attention.
5. We are asking all parents to refrain from getting involved during their child's practices. If you have any questions please direct them to Paige Sipe.
6. All families are required to volunteer in a minimum of 2 meets. Without volunteers meets are not able to be run. There will be sign ups at the beginning of the year. If you sign up and cannot be there you must find your replacement.

We understand that these are changes that not all will approve, however we cannot please everybody and feel that we have to do what is best for the team as a whole. If you have any questions or concerns please see Paige Sipe.
